

COLVRT was established in 2000 as a nonprofit organization comprised of volunteers from the community.

MISSION STATEMENT: To provide a helping hand to those in need.

COLVRT provides assistance to members of our community, as well as travelers or visitors to the area. When an emergency or disaster occurs, **COLVRT** provides shelter, clothing, food, or a helping hand whenever possible. When the Crescent-Odell Lakes Rural Fire Dept. identifies a need, they often call upon **COLVRT** to assist them in caring for others. Crescent-Odell Lakes Community Center has been designated as an American Red Cross Emergency Shelter and many **COLVRT** members have been certified as Red Cross personnel.

COLVRT depends upon charitable donations from private citizens, businesses, and fundraisers for their operating expenses and ability to provide services.

All community members, friends and relatives are invited to join **COLVRT**.
